JIGSAW 20V - POWDP25300

This battery-powered jigsaw from the Dual Power line offers the flexibility and freedom of movement to successfully finish every sawing job. The 20 V tool features a 45° tiltable shoe that enables simple bevel cuts. The tool is easy to handle. Use the parallel guide included for sawing straight lines as well as cutting out more intricate shapes.

The Dual Power jigsaw has a cutting capacity of 90 mm for regular cuts and 40 mm for 45° bevel cuts. Thanks to its 4 pendular positions, the saw can cut quickly and efficiently, even through hardwood. A clear view of the cutting line and workpiece is guaranteed thanks to the work light and vacuum cleaner connector.

DISCOVER THE ENTIRE PRODUCT RANGE AT
WWW.DUAL-POWER.COM

Separate battery and charger

The battery and charger are not included. They are sold separately and are compatible with the entire Dual Power range.

Which Dual Power batter is compatible?

This 20 V jigsaw is compatible with both the 20 V and 2x20 V Dual Power batteries. The use of a 2x20 V battery ensures an even longer battery run time, compared to the 20 V version.

TECHNICAL SPECIFICATIONS POWDP25300		FEATURES	BOX CONTENT	SYMBOLS
